

Independent examiner's report to the trustees of Oxfordshire Breastfeeding Support

I report to the trustees on my examination of the accounts of the Oxfordshire Breastfeeding Support (the Charitable Incorporated Organisation, or CIO) for the year ended 31 March 2019.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the CIO's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the CIO as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Note 29 **Additional Disclosures**

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Reserves policy: OBS will review the level of reserves held, both restricted and unrestricted, at each Trustee meeting. The charity relies on donations from individuals and fundraising to fund the majority of its charitable activities. The nature of these income streams are that funds are not certain to be received and are not evenly spread throughout the year. As future income from donations is uncertain, and would be affected by the wider economic conditions then holding reserves allows the charity time to plan the best way to reduce services or investigate other sources of funding. The charity is working towards securing more sustainable grant funding and in order to focus on making these applications it is considered prudent to hold funds in reserve so that the charity can continue to operate if fundraising activities reduce. At present the drop in sessions are held at free venues, however if any of these locations were unavailable or circumstances changed then the Trustees believe it is reasonable to ensure enough cash reserves are held to enable weekly rental payments to be made. The charity aims to run 4 drop in sessions a week (rising to 5 in 2019/20) and in order to assist in planning of future service levels and to enable giving notice to both service users and facilitators of reductions in service levels because of lack of funds, the Trustees consider it reasonable to hold between 9 and 12 month's expenditure in reserve. £5,000 of reserves held at 31/03/2019 are to be used to fund an additional session per week, on a trial basis, in a new location. Unrestricted reserves held at the end of the year were £47,024 (2018: £41,797). Annual expenditure for 19/20 is forecast to be £46,000 so the reserves level is in line with policy.
